

Illinois Butterfly Monitoring Network Field Form

Site: _____ Route: _____
 Date: _____ Start Time: _____ End Time: _____
 Monitor: _____ Note Taker: _____
 Temperature: _____ Wind conditions (circle one): calm relatively still moderately windy windy
 Sky (circle one): clear mostly clear mostly cloudy overcast hazy
 Comments: _____

Section Habitats Key: A= B= C= D= E=

Species	Section:	A	B	C	D	E	Total
<i>Ancyloxypha numitor</i> (least skipper)							
<i>Polites coras</i> (Peck's skipper)							
<i>Polites themistocles</i> (tawny edge)							
<i>Thymelicus lineola</i> (European skipper)							
<i>Epargyreus clarus</i> (silver spotted skipper)							
<i>Papilio glaucus</i> (tiger swallowtail)							
<i>Papilio polyxenes</i> (black swallowtail)							
<i>Pieris rapae</i> (cabbage)							
<i>Colias eurytheme/philodice</i> (sulfur)							
<i>Harkenclenus titus</i> (coral hairstreak)							
<i>Satyrium acadica</i> (Acadian hairstreak)							
<i>Everes comyntas</i> (eastern tailed blue)							
<i>Celastrina ladon/neglecta</i> (azure)							
<i>Limenitis archippus</i> (viceroy)							
<i>Limenitis astyanax</i> (red spotted purple)							
<i>Vanessa virginiensis</i> (American painted lady)							
<i>Vanessa cardui</i> (painted lady)							
<i>Vanessa atalanta</i> (red admiral)							
<i>Precis coenia</i> (buckeye)							
<i>Nymphalis antiopa</i> (mourning cloak)							
<i>Chlosyne nycteis</i> (silvery checkerspot)							
<i>Phyciodes tharos</i> (pearl crescent)							
<i>Speyeria cybele</i> (great spangled fritillary)							
<i>Polygonia interrogationis</i> (question mark)							
<i>Satyroides eurydice</i> (eyed brown)							
<i>Enodia anhedon</i> (pearly eye)							
<i>Cercyonis pegala</i> (wood nymph)							
<i>Megisto cymela</i> (little wood satyr)							
<i>Danaus plexippus</i> (monarch)
